

Chika Novinda

Architectural Designer

Hi! I am a 24 years old Bachelor of Architecture with 1+ year of experience in architecture and interior design projects.

Currently resides in South Jakarta, graduated from Universitas Sebelas Maret with 3.79 GPA.

Capable on working with 2D and 3D drawing apps, mainly SketchUp and AutoCAD, with some experience in rendering apps such as Enscape and Lumion, and also graphic design apps such as CorelDraw and Photoshop.

On a personal notes, I am a detail oriented person who work systematically and able to work in deadline concern.
