

ANDIKA IBNU PRADITYA

ARCHITECTURE & URBAN PLANNING

PERSONAL PROFILE

I am a vibrant and industrious individual with a strong knowledge of architecture with particular interests towards urban design and planning. Currently working at PT Pertamina Retail which focuses on development of Fuel and Non Fuel Retail.

WORK EXPERIENCE

Engineer Construction Planning

PT Pertamina Retail | July 2021 - present

- Responsible to create Conceptual Drawings for civil and architectural purposes based on site surveys, analysis, and coordination with management for Fuel and Non Fuel Retail projects.
- Coordinate technical projects to maintain project schedule, quality, and budget.

Jr. Engineer Maintenance Planning

PT Pertamina Retail | Sept 2018 - June 2021

- Coordinate maintenance and renovation of Fuel and Non Fuel Retail.
- Manage calculations to create Owner Estimates, Bill of Quantity, and administration requirements.

Site Plan Staff Property Management

PT Pertamina Retail | May 2017 - Aug 2018

- Conduct Site surveys to Pertamina owned gas stations to analyze potential areas that can be developed for future enhancements.

EDUCATIONAL HISTORY

Universitas Indonesia

Bachelor of Architecture | Sept 2010 - July 2014

- Studied Architecture Design Studio, Urban Design, Sustainability, Utilities, Design Theory and Methods
- GPA: 3.23 (Above Average)
- Undergraduate Thesis about Architectural Principals in Mosque Elements
